Fine Participates in Community Forum

GLENVIEW, IL—State Rep. Laura Fine (D-Glenview) co-hosted a community forum with state Rep. Robyn Gabel (D-Evanston) and U.S. Congresswoman Jan Schakowsky (D-Evanston). Over seventy people participated in the community forum and asked questions about the issues facing the state, including budget and pensions. Fine also provided an update about legislation she has been working on since taking office in January.

Rep. Fine (left) addresses participants at a community forum held Monday evening.
