Rep. Fine Holds Town Hall Meeting

GLENVIEW, IL – State Rep. Laura Fine (D-Glenview) met with constituents Thursday night at the Glenview Police Station for a Town Hall Meeting to discuss the spring session, legislative suggestions, and local concerns.

“One of my main priorities as a legislator is to actively seek the input of my constituents to understand the issues that affect our area,” said Fine. “I appreciate all of the area residents who attended to voice their opinions and discuss state and local issues.”

Fine was joined by state Senator Daniel Biss (D-Evanston) at the forum. Fine and Biss provided the almost 100 attendees an update on the budget, pension reform, and various local issues.
