## **Rep. Fine to Host Workshop on New Health Insurance Exchange**

**GLENVIEW, Ill.** – State Rep. Laura Fine will help local residents enroll in the new health insurance marketplace and answer questions at a Get Covered Illinois Workshop on Sunday, Oct. 13 from noon to 5 p.m. at the Levy Center, located at 300 Dodge Ave. in Evanston. Rep. Fine, Congresswoman Jan Schakowsky, state Sen. Daniel Biss and state Rep. Robyn Gabel will take part in a panel discussion at 3 p.m. to answer questions about how the Affordable Care Act is being implemented in Illinois.

“Individuals who are uninsured or under-insured too often go without the proper medical treatment simply because they cannot afford it,” Fine said. “The new health insurance marketplace will make it easier for residents to afford health care coverage. I encourage anyone who wants to learn more about the marketplace or needs assistance enrolling to join us at this workshop.”

Fine sponsored Senate Bill 26, which allows Illinois to begin implementing the Affordable Care Act and operating health insurance exchanges. Residents who would like to receive assistance enrolling at the workshop should bring their Social Security number, employer and income information, household member information, proof of residency and information about their current health care coverage.

Residents can now begin enrolling in the health insurance exchanges at [www.getcoveredillinois.gov](http://www.getcoveredillinois.gov). For more information, please call Fine’s constituent service office at 847-998-1717 or email [RepFine@gmail.com](mailto:RepFine@gmail.com).
