## Rep. Fine Hosts Free Diabetes Screenings

**EVANSTON, Ill.** – State Rep. Laura Fine, D-Glenview, recognized Diabetes Awareness Day by joining hospital staff from NorthShore University HealthSystems to provide free blood glucose screenings and answer questions about diabetes at Curt’s Cafe in Evanston.

“According to the American Diabetes Association, 7 million Americans have undiagnosed diabetes,” Fine said. “Events like this provide a great opportunity for people to see if they have the disease, and if they do, to have their questions answered by health professionals free of charge.”

The American Diabetes Association suggests many ways to reduce the risk of diabetes, such as eating a healthy diet, physical activity, and maintaining a healthy weight.

Fine participates in Diabetes Awareness Day by being tested.

For more information, or to learn about other upcoming events, please contact Fine’s full-time constituent services office by calling 847-998-1717 or by emailing [RepFine@gmail.com](mailto:RepFine@gmail.com).
