Fine Opens District Office in Glenview

GLENVIEW, IL – State Rep. Laura Fine announces the opening of her district office in Glenview. Rep. Fine’s district office is located at 1812 Waukegan Road, Suite A in Glenview. Her office will be open from 9 AM to 4 PM, Monday through Friday.

“My responsibility is to represent the people of my district in Springfield,” said Fine. “The best way I can do my job is by meeting with local elected officials, community leaders, and constituents to learn about their concerns and ideas on how we can move the state forward.”

In the coming weeks, Fine has scheduled meetings with various community leaders to learn how they can work together to best serve the needs of constituents. Fine is interested in learning more about the issues that matter most to businesses, schools, hospitals and other service providers in the district so that she can effectively represent their interests in Springfield.

“Having come into office at such a difficult time in our state’s history, I know that we must all work together to get Illinois back on the right track,” said Fine. “I want to hear from my constituents about the issues that concern them most, and their suggestions on how to reform our pension system, cut wasteful spending and make Illinois a more business-friendly state. I encourage anyone who lives and works in my district to contact my office with any suggestions for legislation or if they need help navigating the state bureaucracy.”

Fine can be reached by calling (847) 998-1717 or by e-mailing RepFine@gmail.com.
