Schakowsky Cuts Ribbon at New Glenview Office

"This office is for you," the U.S. Rep. said at the ribbon cutting for her new office at 1852 Johns Dr.

Posted by

It was a who's who of community leaders and lawmakers at Friday morning's ribbon cutting for Jan Schakowsky's (D-IL 9th District) new Glenview office.

State Sen. Daniel Biss (D-Evanston) and State Rep. Laura Fine (D-Glenview) were among officials from Evanston, Skokie and Des Plaines, greeting Schakowsky and the public at the office at 1852 Johns Dr.

"This office is for you," Schakowsky said. "Don't make yourself crazy, call us. If you're trying to get through all the red tape that is too often common in bureaucracies, give us a call and we will do our best."

Rather than the expense of opening a new office, wouldn't it be more efficient to write/vote for bills that reduce government complexity and bureaucracy?
